The Quality Auditor Certification is one of the American Society for Quality's most sought after professional credentials. The purpose of this course is to help members of our local community prepare for the December 05, 2009 ASQ Certification Exam. Audit professionals from any industry, and their organizations, will benefit from the information contained within the ASQ CQA Body of Knowledge.

ASQ CQA, Steve Lara, will lead course participants through a structured review of the ASQ CQA Body of Knowledge required to pass the rigorous multiple choice examination.
